EMPLOYEE FEATURE

Claire Cronenweth, PT, DPT, NCS
Board Certified Neurologic Clinical Specialist

Claire has passion for restoring and optimizing function, mobility, and overall quality of life to help each of her patients reach their personal mobility goals.

She received her Doctorate in Physical Therapy from the University of Southern California in 2017. She has since completed the Schmidt Movement Disorders Fellowship, which is currently the only neurologic physical therapy fellowship in the world.

She is an expert in treating movement disorders including typical and atypical Parkinson's Disease, all types of dystonia, ataxia, and functional movement disorders. She is a Parkinson's Wellness Recovery (PWR!) certified therapist and has a strong passion for exercise induced neuroplasticity in this population.

She also has extensive experience treating vestibular and balance conditions including BPPV, vestibular neuritis/labyrinthitis, unilateral and bilateral hypofunction, vestibular migraines, complex conditions including PPPD, and individuals with multifactorial fall risk.

Claire recently became a Board Certified Neurologic Clinical Specialist which is based on significant clinical experience and rigorous examination.

FAMILY HOME HEALTH SUMMER | 2020

We hope you are enjoying your summer and are staying safe. Below are some resources to summer safety and fun! Click the link or visit our website.
